CONFER 2

14–15 September, 2000

We have arranged to have the final CONFER2 workshop on the 14-15 September in the Moller Centre, a nice conference centre about 1.5km from the centre of Cambridge. See `http://www.mollercentre.co.uk/` for pictures. This means we should have a good environment for the meeting, but makes it a bit complex, as all bookings must go through the Computer Lab.

It would be very helpful if you could return the form below, with payment, as soon as possible (eg within two weeks).

The 'residential' numbers include accomodation for the nights of the 13th and 14th and all meals from dinner on the 13th to lunch on the 15th (with dinner on the 14th at St Johns college). We have 20 rooms booked, with a few more provisionally held. It should be possible to add accomodation for the night of the 15th, subject to availability. If you need this please let us know asap.

The 'local' numbers include dinner on 13th/14th and lunch 14th/15th.

Payments must be as a cheque, payable to *University of Cambridge*, either in sterling on a London bank, in euros, or in US dollars on a US bank.

Hope to see you there!

Peter
