

# Equational Systems and Free Constructions - Errata

Chung-Kil Hur

October 3, 2007

- In Proposition 5.1, “Let  $\mathbb{S} = (\mathcal{C} \triangleright F \vdash L = R : D)$  be an equational system” should be “Let  $\mathbb{S} = (\mathcal{C} \triangleright F \vdash L = R : D)$  be an equational system with  $\mathcal{C}$  cocomplete.”
