

Data Centric Networking: Wrapup

Eiko Yoneki

University of Cambridge Computer Laboratory

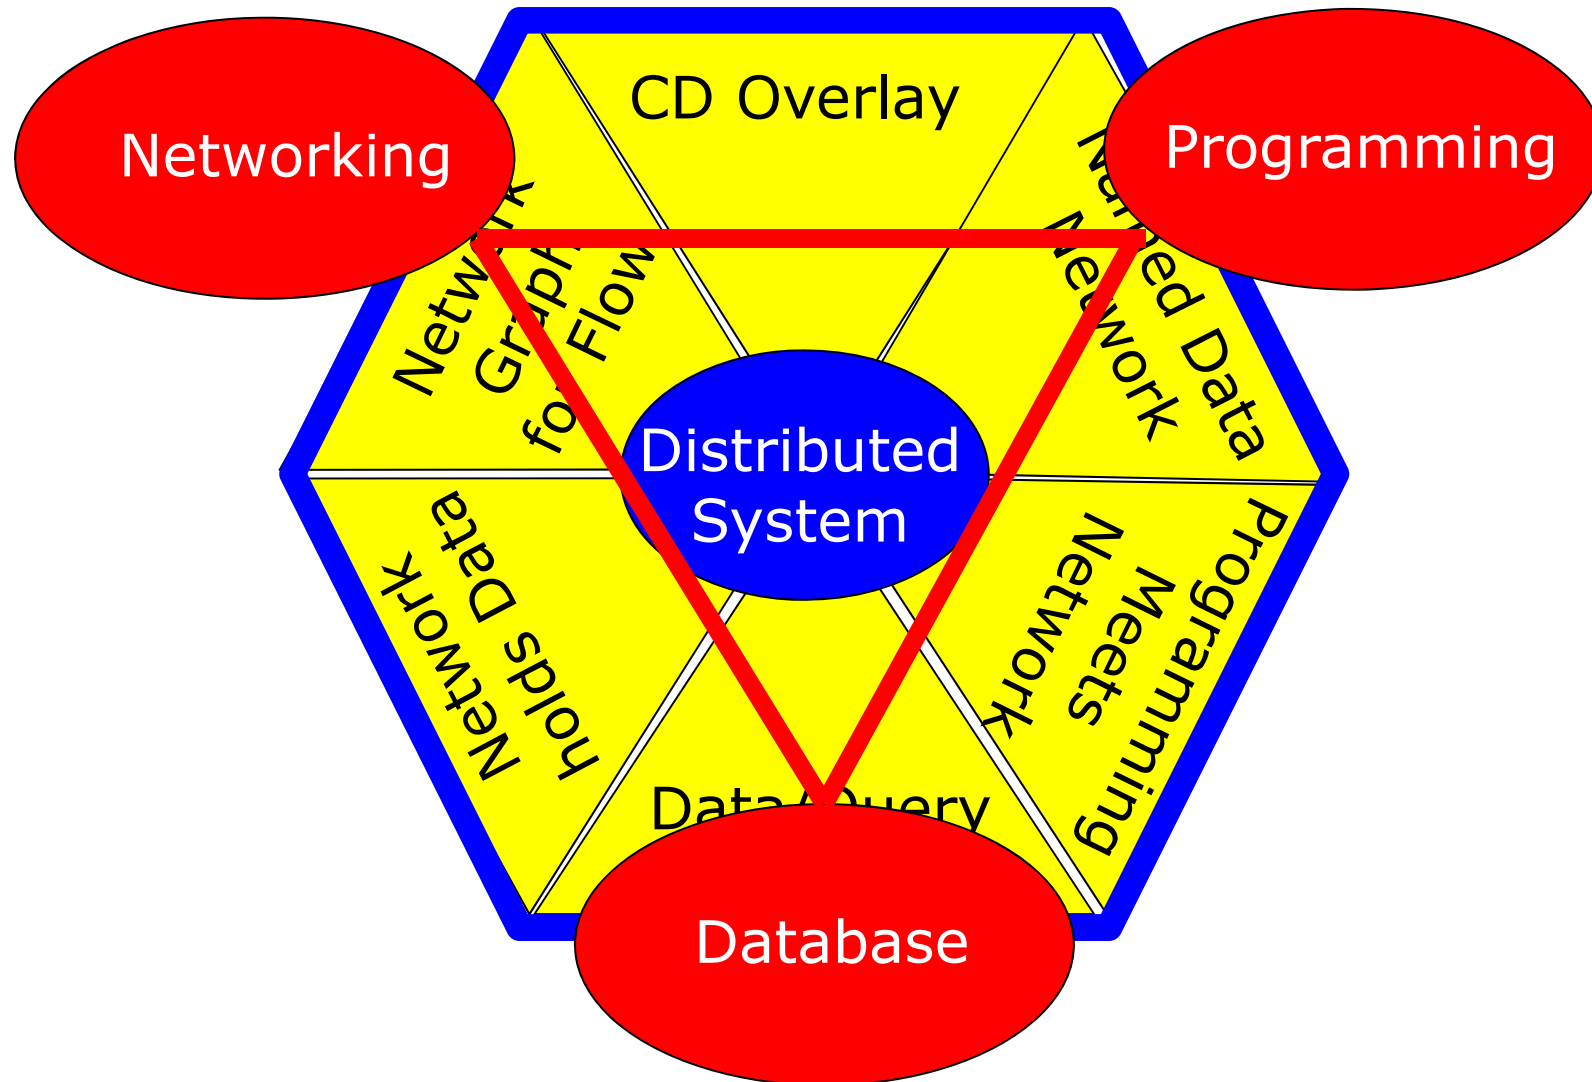

Six Faces of Data Centric Networking

Six Faces of Data Centric Networking

Data Centric Networking

- Which session's topic did you enjoy the most?
- What topic do you want to explore if you go on research work?
- What do your future vision of data centric networking?

Data Centric Networking

- That's all!
- Thanks for working hard in this course!

- Do not forget 2 more reports !
