

Current supervision timetable for the academic year 2011-12

In Lent 2012 I am supervising Probability for the Jesus / King's group for CST Part 1A (two supervisions in the first half of the Lent Term, one quite early if you like, the second after the course is over). I shall be willing to give 1 revision supervision to each group during the first three weeks of the Easter Term (then I reserve the right to go off to France to see the spring flowers before the exams begin).

The supervision timetable can be accessed from my personal Web pages, direct link

<http://www.cl.cam.ac.uk/~km10/sprvsn.pdf>

Allocated slots are indicated by the identifier of the relevant supervision pair. Please note that if I supervise the same pair for more than one subject that pair will have a different identifier in each context. The map between supervision pairs, courses and identifiers can be found on the next pages.

I shall be supervising in my room in the **Gibbs Building, King's College**, which is **G7** (second staircase from the Chapel, right at the top).

Please hand work in to **King's Porter's Lodge** by **12 noon on the day before** the supervision - by 12 noon on Saturday for Monday supervisions (mark the work *each week* with a note "please do NOT take up to Dr Moody's room"). If you get the work in by those times I shall endeavour to look at it before the supervision, and will certainly correct it at some stage. Work that is not handed in before 6 pm on the evening before the supervision will not be looked at after the end of the supervision in any circumstances.

Ken Moody
