Articles

The articles here are drafts and may change.

Technical

- The unfinished MITB project

- My attempt to understand the backpropagation algorithm for training neural networks (**warning:** very slow to load; uglier PDF is faster)

- Corecursion and coinduction: what they are and how they relate to recursion and induction (**warning:** very slow to load; uglier PDF is faster)

Autobiographical

- Management trainee at the North Thames Gas Board

- Summer job at the National Physical Laboratory, my Part II essay on perceptrons and meeting David Marr

- Struggling with mathematics at Cambridge

Miscellaneous

- Lunch at King's College

- Fifty year reunion of the class of 1966

- Mindfulness, anxiety and the NHS
