

## METRE: APPENDIX

### THE ORDER OF READING THE TEXT

This reconstruction of the sequential order in which the segments of text are to be read is the result of close study of the relationships between segments, of the use of measures, and of form in composition. These subjects have yielded the necessary information to supplement the directions in the text, which are often ambiguous or defective. The directions to the pieces on pp. 23-34 are generally adequate and this guide does not extend to those pieces.

### THE LOCATIONS OF DIGITAL UNITS IN THE TEXT

The following copies of pp. 15-22, 36-55, 57, 59, 61-101 of the MS are marked to show the points at which digital units begin and end, as discussed in pp. 45-78 of this dissertation. The first column of each unit is indicated by the marking above the column of a '1' or a '0' according to whether the unit as a whole would have been considered as a *cyweirdant* or a *tyniad*, that is, in the *telyn* style of one of the forms of metrical notation.

Where a particular unit comprises a modification of an established measure, the beginning of the unit is indicated by the symbol for the modified unit in parentheses.

The markings should be read in conjunction with the guide to the reconstructed order of reading the text, which is given in the appendix pp. 1-11. However, where a short segment of text is indicated to be repeated, the notation for the segment may be restated above the repeat instruction in the text, in order to show the measure clearly without need to resort to the guide. The same is provided where the text has a short omission.

It should be understood that the markings are not designed to show the harmonic status of each particular chord, although they normally do show the harmonic status of the first chord in the lower part of each digital unit.

auad Pibau Moruudd.

90'

The score is organized into six systems, each containing two staves. The top staff of each system generally contains vertical strokes (e.g., |---|), while the bottom staff contains horizontal strokes (e.g., - - -). The vocal parts are indicated by 'au' and 'ai' above the notes. The score is divided into measures by vertical bar lines.

93)

The musical score is organized into six systems, each consisting of five staves. The notation is primarily弓 (bowed strokes) and 竖 (vertical strokes). The score includes several repeat signs and double bar lines to indicate sections.

- System 1:** Starts with a common time signature. It features two violins, viola, and cello. The notation includes弓 and 竖.
- System 2:** Continues with a common time signature. It includes a repeat sign and a double bar line.
- System 3:** Starts with a common time signature. It includes a repeat sign and a double bar line.
- System 4:** Starts with a common time signature. It includes a repeat sign.
- System 5:** Starts with a common time signature. It includes a repeat sign and a double bar line.
- System 6:** Ends with a common time signature. It includes a final double bar line.
