# CST Part IB *Computation Theory*
List of corrections to the 2014/15 lecture notes

11 March 2015

Page 44: Replace "if $N = 0$ then halt" by "if $N = 0$ then copy 0th item of list in A to R_0 and halt"

Page 49: Insert a '*push* 0 *to* A' box after START and a '*pop* A *to* R_0' box before HALT – see the attached page.

The program for *U*
