Thinking like an attacker

- Reconnaissance

- Exploitation

- Lateral movement

- Achieve goal

- Maintain presence

Avoid groupthink

Rather, we should...

- Raise controversial issues
- Suggest alternative solutions
- Say "I don't understand"
- Offer constructive criticism

The Recurse Centre Social Rules

- No feigning surprise
- No well-actually's
- No back-seat driving
- No subtle -isms

Very easy to break, but strive not to

How can you break into a webmail account?

Can a computer hacker kill someone with a car?

Can a terrorist cell trigger a nuclear meltdown at a power station?
