

ACS Project Overall Mark Guidelines

90-100%	<p>Significant contribution to field</p> <p>Evidence of considerable extra-curricular reading and original interpretation</p> <p>Challenging goals, and substantial deliverables, without much help from supervisor</p> <p>Close to faultless in execution and write-up</p>
80-89%	<p>Contribution to field</p> <p>Evidence of extra-curricular academic reading, critical thought and original interpretation</p> <p>Only very minor faults in execution, depth of understanding or write-up</p> <p>Challenging project and substantial deliverables</p>
75-79%	<p>Very well written report with logical structure</p> <p>Demonstration of critical thought, understanding and extra-curricular reading</p> <p>Some minor faults in execution or understanding</p> <p>Substantial deliverables</p>
70-74%	<p>Clear project-write up with logical structure</p> <p>Evidence of understanding, and at least some evidence of extra-reading and critical thought</p> <p>May contain some ambiguities or faults</p> <p>Achievement not substantial enough to warrant top mark, but execution basically good</p>
60-69%	<p>Adequate project write-up, lacking clarity or detail in places, or containing irrelevant material</p> <p>Mostly demonstrates understanding, but with occasional mistakes of judgment</p> <p>Project not particularly ambitious, or not entirely completed</p> <p>Little evidence of extracurricular reading or original thought</p>
50-59%	<p>Write up is somewhat incoherent, rushed, contains important omissions, or irrelevant material</p> <p>Some serious flaws in understanding</p> <p>Actual achievements not very substantial</p> <p>Very little evidence of much extra-curricular reading or original thought</p>
40-49%	<p>Topic has not been handled at all well</p> <p>Write up is poor, unstructured, some parts missing.</p> <p>Concrete achievements very few, project goals not achieved</p> <p>Little evidence of understanding, many inconsistencies and flaws</p>
30-39%	<p>All aspects of the project have been handled badly</p> <p>Write up is substantially absent, incomprehensible or wrong</p> <p>Actual achievements may be very few or not apparent.</p> <p>Little evidence of understanding, but at least mention of most of the relevant ideas.</p>
20-29%	<p>Almost total failure to engage with project</p> <p>Write up substantially absent, incomprehensible or wrong</p> <p>No concrete achievements apparent</p> <p>Some mention of relevant terms, many relevant facts entirely missing</p>
0-19%	<p>No evidence of any understanding</p> <p>Mention of some relevant terms</p> <p>Marks given for presentation of report</p> <p>Complete ignorance</p>
