Breaking news post 2025 novel feline flavivirus pandemic

Prime Minister Cummings announces with immediate effect:

- FCA takes over from NHSX&PHE&MoJ
- Towards real time regulation of justice
- Based on previous experience of
 - sandboxed digital twin of global economy
 - avoidance of recession 4.0
 - lowest mortality in sino-US empire
 - amongst humans and felines
- FCA to take over courts,lawyering,&judging

implementation

- instead of random trials, we shall have
 - Adaptive trials
 - Parallel, replicated tribunals
- the magister cats rule
 - we shall have Quantum arbitration
 - entangled, instead of incarceration
 - $\langle \text{guilty} | + | \text{not guilty} \rangle$ judgement
 - $\langle \text{half death} | + | \text{half life} \rangle$ sentencing

Who Am I?

To hide? You have nothing.
